

Lamb Grower Certificate

Grower Name: _____

Grower Address: _____

Grower Code: _____

The lambs that are raised by this grower:

- Will not be comingled with lambs that have been born or raised outside of California, without identifying the individual lambs clearly. Identification of these lambs must be outlined on the Lamb Grower Onsite Audit form.

By signing below the Grower understands the requirements of the Certified California Lamb Program.

Producer Signature

Date

The above Producer has successfully completed the Certified California Lamb sign up process and has been made aware of all program requirements. It is my recommendation that approval status be granted.
